Hello from DeeAnn,

"Life is changing pretty fast for we seniors, but thank you to those blessed volunteers of Senior Resource Services, they pick me up at my door, take me for my appointments and shopping and we have a real nice time visiting. When we have finished my errands they return me to my home and make sure I am safe and okay. Believe it or not, this all free to me." says Dorothy.

"If I could just get away for a couple of hours by myself or just take a bath without him calling my name several times or walking in the bathroom. The Volunteers of Senior Resource Services have given me "time-out" of my 24/7 care of my husband with dementia. And there is no cost for this service. God Bless you Volunteers of Senior Resource Services," says Angie.

These are just a few thank you comments we have received over the past 4 years. Senior Resource Services is a non-profit 501(c)(3) organization that has a Volunteer Driving Program, Time-Out Respite Program, Safety for Seniors and recently the Person-2-Person Senior/Caregiver Connection Program. All these programs are designed to allow our Seniors in Weld County to remain in their homes as long as possible.

We are very proud that we have not denied any senior request because of lack of volunteers. Our volunteers last year provided over 3,014 hours of time with our Seniors. Currently our 148 compassionate volunteers serve 270 senior clients with a staff of 6 part-time individuals. My goal in life is to see an unmet senior need and find a timely solution. This past year we created a **Senior's Yellow Pages** that contains relevant phone numbers for Seniors in an easy-to-read format. In February we began our Soup In A Sack program that delivered pantry items donated by local organizations to our low-income Seniors. Many Seniors income is \$700 a month and out of that amount pay rent and buy medications; that doesn't leave much money left for food. Also, this year we provided medication reminders to the Seniors who have difficulty taking their pills at the right time. All of these programs were new this year, just listening to our Seniors needs. And like all of our programs these are provided **free** of charge for Seniors living in Weld County.

Non-profits are struggling because of our economy so we are asking for your financial assistance so we may continue to provide our Weld County Seniors with a high quality of life and sociability. Rest assured all of your donation will remain in Weld County. Senior Resource Services has built a reputation for excellent services, frugal stewardship and scrupulous honesty. Thanking you in advance for your donation.

Sincerely,

DeeAnn Groves, MA

What is better in life than being able to help others?

*The Board of Directors for Senior Resource Services invites you to become a member of our Frontier Family as we launch our annual fundraising campaign. We have included a remittance envelope for your convenience. We appreciate your time and thoughtfulness in supporting us in our efforts to keep up with our community's growing need to care for our eldest citizens. Call us if you have questions, or if we can be of assistance to someone in your family. Your donation is tax deductible as SRS is a 501(c) (3) non-profit organization.
